

## **SOPHIA Natural Health Center Thermography Procedure and Pricing**

### **Procedure:**

- When Thermography appointments are being scheduled, each patient must be provided with an Information sheet on the Do's and Don'ts prior to their appointment.
- Intake forms will need to be filled out and brought to their appointment if they are getting a **Full Body scan (Female or Male), or Women's Health Screening (thyroid, carotid, and breast). All other scan series (Breast or other Region of Interest), do not require intake forms to be filled out prior to the appointment.**

### **Timing for Scheduling:**

In scheduling appointments please allow:

- 45 minutes for a Full Body scan (with intake forms filled out prior to the appointment)
- 25 minutes for a Women's Health Screening (with intake forms filled out prior to the appointment)
- 20 minutes for a Breast scan and all other Region of Interest scans

### **Pricing:**

- \$200.00 for initial Breast scan
- \$150.00 for 3-month follow-up Breast scan
- \$200.00 for an Annual Breast scan
- \$450.00 for a Full Body scan
- \$325.00 for a Women's Health Screening scan
